

# Singapore Iran Business Council

Following the success of the last trade mission to Iran by the Singapore delegation and in the view of the positive business environment in Iran, it is proposed to form The Singapore Iran Business Council (SIBC) as a **non-government organisation (NGO)** and a **not for profit organisation (NFP)** based in Singapore. Singapore Iran Business Council's mission will be to advance and promote business opportunities and networking within the business community in Singapore and Iran.

## Objectives

The objectives of the SIBC are:-

- (a) To enhance the organisation of the business community in Singapore and Iran; and
- (b) To represent, advance, promote and protect, in Singapore and Iran, the major business concerns (such as investment and trade opportunities and labour management issues) of business entities carrying on commerce and industry in Singapore and Iran;

Whether you are currently doing business in Iran or are contemplating to venture into this market or simply are interested in exploring business opportunities in Iran, you are invited to join in as the protem members of the SIBC.
